Occupation

What have you heard about me and what I offer, that has you be interested in working with me?

What issue or problem are you looking to solve, that I might help you with? *

How does that issue or problem affect your life now?

What else have you tried to achieve this goal? How effective was that approach?

How motivated are you to solve this problem, from 1 to 10, where 1 is "not motivated," and 10 is "extremely motivated"? (choose number of stars 1-10) *

What else can you tell me about this?

Do you have a vision of what you want your life to look like? (please describe)

How badly do you want this result, out of 10? (with 10 being most motivated)

Are you willing to spend five-to-ten minutes daily with practices that could help you transform your issue? *

- Yes
- No

Please let me know who referred you
